Please contact IT Help if you have any login issues.

Sign-in options

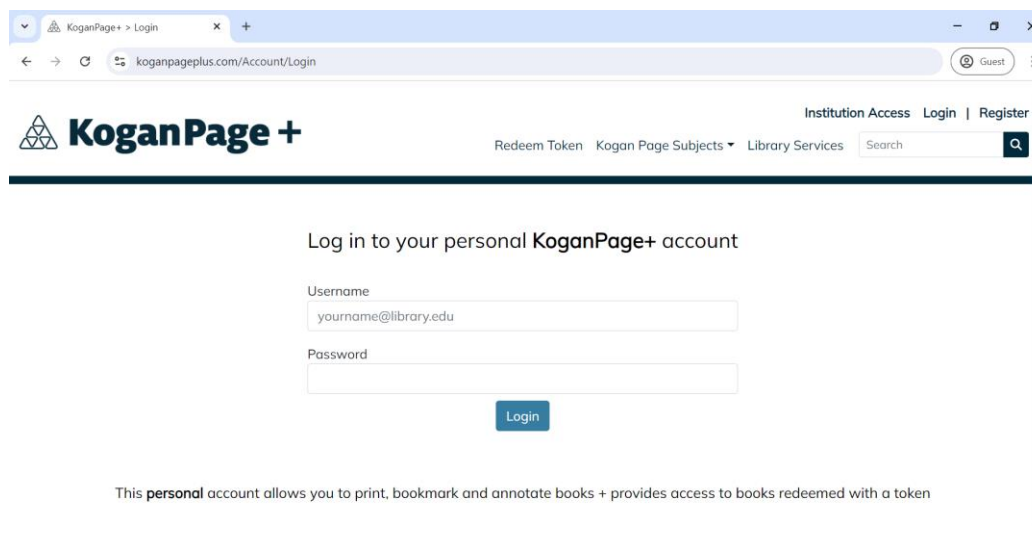

Enjoy access to your institution's purchased collections. If you want to print, bookmark and annotate books + use a token to access books, sign in with a personal account.

How to Login to KoganPage+ Personal Account:

Click 'Login' in the top right corner, without Institution Access

Enter your username and password

How to Redeem a Token:

A token is for access to a book, or collection of books. You can only input a token once you have logged in with your institution and set up a personal account. The page then looks like:

Token redemption is available at participating institutions for notified individuals

Please contact your library administrator or course leader if you are expecting to receive a token

How to request a KoganPage+ free trial

Visit www.koganpage.com and click the KoganPage+ dropdown tab. Select 'Request a free trial', and complete the form to sign up.

A member of the Kogan Page Sales team will be in contact to finalize the details for your trial.

The screenshot shows the KoganPage website interface. At the top, there is a navigation bar with the KoganPage logo, a search bar, and links for 'Shop', 'KoganPage+', 'Discover', 'Resources For...', 'Authors', and 'About'. The 'KoganPage+' dropdown menu is highlighted with a red box. Below the navigation bar, there is a banner for a free trial offer. The main content area features the heading 'KoganPage+: Request a free trial' in a red box, followed by the subheading 'Unlimited user access to curated ebooks and textbook collections'. Below this, there is a form with fields for 'First name', 'Last name', 'Email address', 'Job role' (with a dropdown menu), and 'University'. A 'SAVE 15% CLICK FOR DISCOUNT' button is visible in the bottom right corner.

Want to start reading immediately? Get a FREE ebook with your print copy when you select the "bundle" option. T&Cs apply.

How to search for a book:

Enter the book title in the search bar, and click the enter tab or the magnifying glass

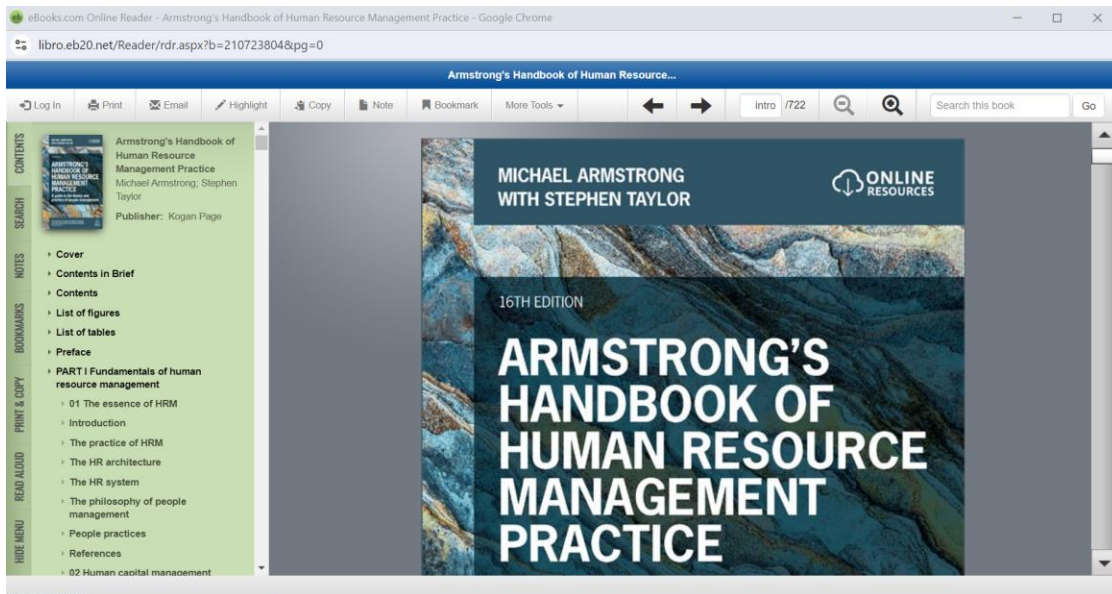

Click the book title once loaded and select to read the book online or offline

If you do not log in (via institution or personal accounts), you are still able to see all books on KP+ and search, but will not be able to access the books via the ereader.

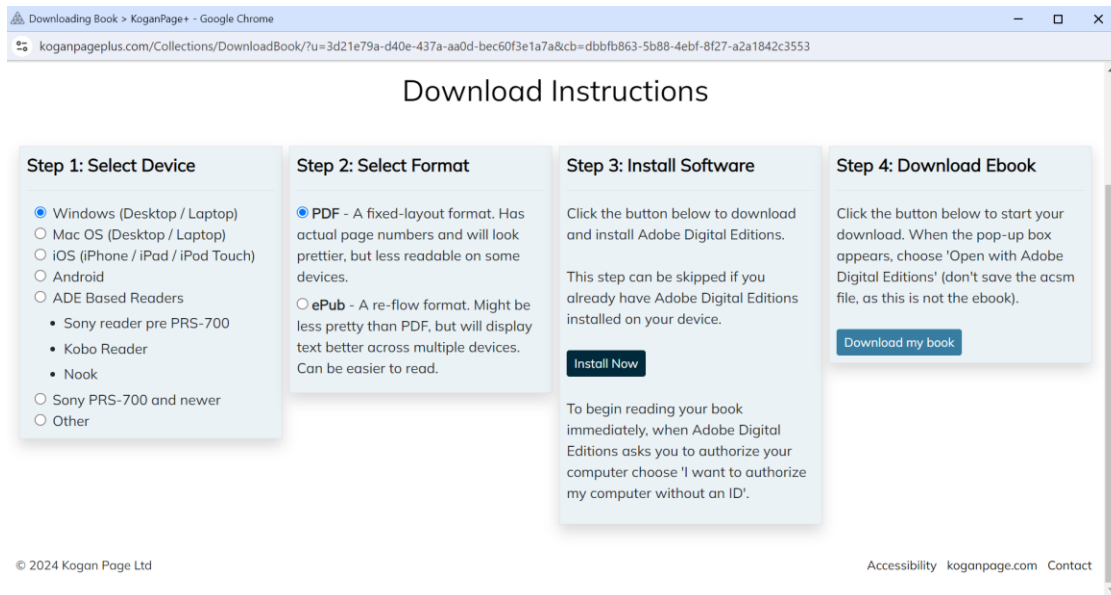

As soon as you are logged in, you will then only be able to see, search and access the books and collections that the universities have bought access to.

Read online:

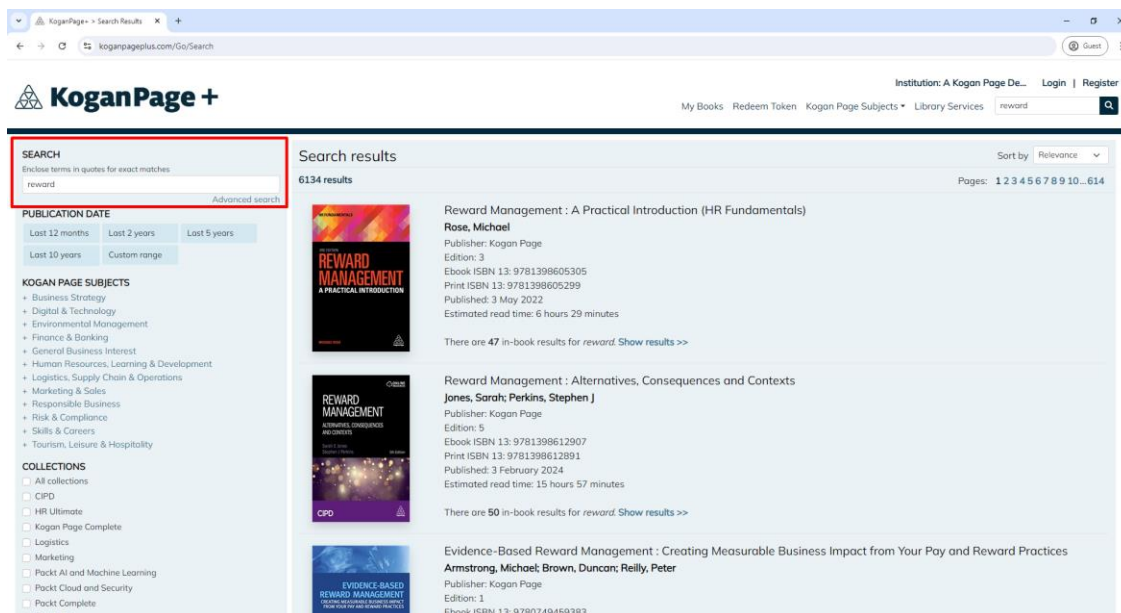

Read offline:

You will be instructed to provide details on your device, download format and how to install and view the ebook. Please see the example below:

How to Basic Search:

How to Advanced Search:

Enter into the search bar a specific keyword or phrase and select 'Advanced Search'.

You will then be able to further refine the search for Title only, Author(s) only or ISBN only. You can also refine by publication date, Kogan Page subjects and the collections you have access to.

Then click search or the enter key.

The screenshot shows the KoganPage+ search interface. On the left, there are filters for 'APPLIED FILTERS', 'SEARCH', 'ADVANCED SEARCH', 'PUBLICATION DATE', and 'KOGAN PAGE SUBJECTS'. The 'ADVANCED SEARCH' section has a red box around the 'Advanced search' button. The main area shows 'Search results' with '2 results'. The first result is 'Reward Management : Alternatives, Consequences and Contexts' by Jones, Sarah; Perkins, Stephen J. The second result is 'Armstrong's Handbook of Reward Management Practice : Improving Performance Through Reward' by Armstrong, Michael; Brown, Duncan.

How to see which Collections you have access to:

Click the 'My books' tab once logged in and you will be able to see the collections your institution has access to.

The screenshot shows the 'My Books' page on KoganPage+. The 'My Books' tab is highlighted with a red box. On the left, under 'ASSIGNED BOOKS', there is a section 'INSTITUTION COLLECTIONS' with a list of collections: CIPD, HR Ultimate, Kogan Page Complete, Logistics, Marketing, Packt AI and Machine Learning, Packt Cloud and Security, Packt Complete, Packt Data, Packt Game Development, Packt Programming, and Packt Web Development. The main area displays a grid of book covers organized by collection: CIPD Collection, HR Ultimate Collection, Kogan Page Complete Collection, and Logistics Collection.

How to see which Assigned Books you have access to:

Here, you can see books that have been redeemed with a token.
