Introduction 2

PART ONE Stand up 17

01 Purpose driven 18

The wrong kind of purpose 19

The right kind of purpose 23

Insight helps to keep purpose relevant 25

How purpose informs building your brand and your business 29

giffgaff – a purpose-driven company 32

02 Purposeful leadership 38

It takes conviction 39

It is more about behaving in a purposeful way than ‘doing good’ 41

Stay true to your purpose as you grow 42

Purposeful leaders show the way 44

Purposeful leadership is about behaving, not saying 48

PART TWO Stand out 55

03 Infectious communication 58

Marketing should be a verb, not a noun 59

Tell a story that people care about 60

Bigger is not better 61

When infectious communication goes wrong 63

How do you engage in infectious communication? 65

How to use infectious communication 69

04 Distinctive customer experience 80

Fix it or feature it 84

Create a multi-sensory experience 85

Involve your customers in improving the experience	87
Reinventing your industry	88
Don't 'flat line' the customer experience	94
Best Western – 'Hotels with personality'	101

05 Continuous innovation 106

Constantly innovate in both large and small ways	109
Drive innovation from a deep understanding of what target customers value	110
Use your purpose to drive growth	111
Focus innovation on the things that make you different	112
Stand out – a summary	121

PART THREE Stand firm 131

06 Cult-like culture 134

Creating the purposeful organization	135
--------------------------------------	-----

07 Distinctive employee experience 138

Turn your employees into fans	139
Hire for DNA not MBA	142
Engage and inspire your people to deliver your customer experience 'on purpose' through branded experience training	143
Motivation is a poorly understood concept	145
Motivating the greatest team on earth	146

08 Experience measurement 160

The service profit chain: reloaded	162
Putting it together	165

09 Never stand still 170

That Berber moment...	171
Get started and keep going	172
IKEA	175
Nissan	177
Altro	187

10 **On Purpose profile** 202

The *On Purpose* research findings 203

Eight practices common to all purpose-led brands 203
