PART ONE An experiential revolution: the accelerating transformation of business and marketing 1

01 What is experiential marketing? 3

Experiential marketing is a methodology, not a channel 3

What is experiential marketing? 12

The growth of experiential marketing 12

Experiential future 14

Summary 17

Notes 18

02 A whole new world: millennials, brand experiences and social media 19

Millennials, Gen Z and beyond 19

Live brand experiences combined with social media 20

Applying the integrated experiential methodology to the purchase
funnel 23

An experiential approach to channel planning 24

Summary 31

Notes 31

03 The experience economy is here 33

The importance of branding as a differentiator 33

A positive customer experience at every touchpoint in the
journey 35

Summary 39

Notes 40

04 Concept stores, the future of retail and pop-ups 41

The changing face of retail 41

The four key facets of the retail-experience revolution 44

Summary 60

Notes 62

05 Digital experiences, artificial intelligence in marketing and merged realities 63

Disruptors are innovating at the speed of light 63

Technology is becoming increasingly invisible 64

Boundaries are blurring 64

Innovation 65

Speed up or die 66

Data and personalization 66

Personal storytelling opportunities 67

Adapt creative messaging to suit the format – top-down creative is dead 68

Real-time data feeds are accelerating intelligence 69

AI, robots and humans 69

AI and bots creating interactive and personal dialogue 71

Live brand experience participation in real life (IRL) and remotely 72

Summary 73

Notes 73

06 The **BETTER** creative model: how to create unique experiential marketing ideas 75

Adding method to the magic 75

Introducing the **BETTER** creative model 75

Brand Personality 80

B is for *Brand Personality* 81

E is for *Emotional Connection* 91

T is for *Target Audience* 101

T is for *Two-Way Interaction* 104

Several common components in any *Experiential Strategy* 178

Integrating the selected elements from the *STRATEGIES* acronym 185

Make the experience memorable and ongoing 193

Summary 197

Notes 198

12 Selected locations and brand ambassadors for your experiential marketing strategy 199

Synergy between locations and people is crucial 199

A live representation of your brand 200

Select the best locations 200

Influencer recommendations 201

Selecting locations 202

Key consideration #1 217

Key consideration #2 219

Key consideration #3 220

Summary 226

Notes 227

- 13 Systems and mechanisms for measurement for experiential marketing planning 228**
Benchmarking across marketing channels 228
An important stage in the planning process 228
Create your own bespoke research process 231
Summary 236
- 14 Action: how to deliver and project manage live brand experiences 237**
Choosing the right expertise for activation in the live environment 237
Contents of the *Action* plan 238
Summary 258
Note 259
- 15 Gauging effectiveness: creating a real-world test-and-learn approach for experiential marketing environments 260**
The unpredictable and dynamic real-world environment 260
Monitoring results in real time to allow a flexible approach 261
Test-and-learn approach to scaling up, down or ‘rolling out’ 261
Systems and Mechanisms for Measurement and how they enable *Gauging Effectiveness* 263
Summary 268
Notes 271
- 16 Evaluation: interpreting and monitoring tangible results from experiential marketing 272**
An integrated approach is the way forward 272
Be experiential 273
Consistency over time 273
Do brand experiences and events drive ROI and LROI? 274
The experiential scorecard 276
TRACK stage #1: The completed experiential scorecard 278
TRACK stage #2: ROI or LROI analysis 280
TRACK stage #3: A change analysis 289
TRACK stage #4: Content and visual evidence review 290
TRACK stage #5: KPIs, strengths, weaknesses and insights 291

Summary 293

Notes 294

17 **Conclusion: planning for the future of experiential marketing** 295

An experiential revolution 295

How an experiential approach fits into marketing
communications 295

Placing *Two-Way Interactions* at the heart of campaigns 295

Forecast for the future 296

A practical creative model and planning system 296

Be the start of the change you want to see in your organization 296
