References 122

06 The Strategic Empathy Process Phase One (continued): Immerse – immersive research tools and techniques 125

Introduction 128

Immersive research project management 128

Sample size, screening criteria and location 128

Budget, project plan and timeline 130

Recruiting screener 131

Recruit and project logistics 132

Managing global research 133

Immersive research tools	133
Deep Visualization	133
Semiotic Scan	137
Metaphor elicitation	139
Laddering	148
Projective techniques	149
Consumer neuroscience methods and tools	150
Agile research	152
References	153

07 The Strategic Empathy Process Phase Two: Activate insights into strategy 157

Introduction	159
Three steps to insight activation	159
Step 1: analyse immersive research data	160
Planning an activation session	162
Step 2: build fresh consumer or customer insights	163
Insight architecture	166
How to build insights out of data	166
Step 3: identify potential strategic actions	172
Agile insight activation	174
Open innovation	175
Validating potential strategic actions	175
References	177

08 The Strategic Empathy Process Phase Three: Inspire – communicate strategic learning 179

Introduction	181
Inspiring stakeholders: three strategic goals	181
Story-telling, not presenting	183
Defining the audience and media approach for strategic story-telling	185
Collecting consumer content for strategic story-telling	188
Character-driven story-telling	191
Consumer documentary video	193
Video production guidelines	194
Virtual reality consumer video?	207
References	209

09	The Strategic Empathy Process in a non-profit organization	211
	Introduction	212
	‘Customer-focus’ in the non-profit organization	213
	How the Strategic Empathy Process works in a non-profit	215
	Effective immersive research methods and tools	226
	Supporting fund-raising	227
	References	229
	<i>Glossary</i>	231
	<i>Index</i>	235
