## **ACKNOWLEDGEMENTS**

We would like to thank the dedicated, experienced and professional team at Kogan Page for its invaluable support.

We also want to thank all our students, colleagues, corporate clients and audiences for their enthusiastic reception of the ideas in this book and for their constant provision of fresh challenges, perspectives and lessons. Our brains keep flourishing because of you!

We would like to extend our gratitude to the thousands of people around the world that bought the first edition of the book and embraced its concepts, arguments and methods. A special thank you goes to those who shared their excitement, stories and suggestions with us.

Finally, we are grateful to our families for their unlimited understanding, support and love.

The second edition of book is dedicated to everyone who desires to become a better leader through the immense, and often hidden, powers of the human brain!
