PART ONE Rethinking prestige branding 1

The times they are a-changing 5

Where's the magic? 5
Culture, commerce – unite! 6
Capitalism, evolved 7
Consumerism, re-rooted 7
The limits of money 8
The importance of knowledge 8
The age of transparency 9
One in a million 9
Together apart 10

From marker to myth – a brief history of branding 11

Brand as quality guarantor 12
Brand as badge 13
Brand as building block 13
Brand as medium 14
Brand as myth 15

A new kind of prestige – or what we mean by

Ueber-Brands™ 17

Ueber-Brands: three key dimensions, one stellar position 18
Ueber-Brands: an old term of new-found relevance 20

PART TWO The seven secrets of Ueber-Brands 23

It's practical – but also conversational 24
It's 'numerological' – how else to explain there are seven? 26
It's symmetrical – with myth in the middle 27

Principle 1: Mission incomparable – the first rule is to make your own 29

Apart. Ahead. Above. 30

Mission route 1: Noblesse Oblige, or the price of greatness 34

Our shift to a Bobo culture 40

Mission route 2: Reinvention, the little brother of responsibility 41

Quod licet Jovi, non licet bovi 44

Principle 1: The rules for a ‘mission incomparable’ 47

Ueber-Brand case study 1: Patagonia – the meaningful exploration of nature 48

Principle 2: Longing versus belonging – the challenge is both 57

The power of the velvet rope 58

Velvet roping 1: Reaching high to win up 62

Designing an Ueber-Target 66

Longing and belonging online 68

Velvet roping 2: Laying low to stay up 71

Principle 2: The rules of ‘longing and belonging’ 76

Ueber-Brand case study 2: Red Bull – longing to have wings 77

Principle 3: Un-selling – the superiority of seduction 85

Of pride and provocation 86

How Ueber-Brands turn celebrity endorsements on their head 91

Avert the overt 93

It’s an art 96

Walk the talk 100

Principle 3: The rules of ‘un-selling’ 105

Ueber-Brand case study 3: Aēsop – un-selling beauty 106

Principle 4: From myth to meaning – the best way up is to go deep 115

The power of storytelling 116

Myths as Ueber-Stories 123

Making myths: what to respect 131

Seven steps to heaven 133

Principle 4: The rules of ‘from myth to meaning’ 135

Ueber-Brand case study 4: MINI – myth revisited – from
underdog challenger to fun provocateur 136

Principle 5: Behold! – the product as manifestation 145

The product as essence 146

Yuan Soap – a story of ‘essence’ 148

Make it a holy grail 150

Inspiring the modern romantics 154

Make it unmistakable 155

Make it the centre of attention 159

Principle 5: The rules to ‘behold’ 164

Ueber-Brand case study 5: Nespresso – coffee as crema
de la crème 165

Principle 6: Living the dream – the bubble shall never burst 173

Nothing is as volatile as a dream 174

Of gods and masters: the question of leadership 177

Together apart – the concept of ring-fencing 179

Radiating inside out: it all starts with the culture 182

The world according to you 187

Principle 6: The rules of ‘living the dream’ 192

Ueber-Brand case study 6: Living it like Brunello Cucinelli
or the Freitag brothers 193

Principle 7: Growth without end – the ultimate balancing act 203

Star power – it’s a matter of balance 204

A different trajectory 206

Grow with gravitas – the ideal, but not always real 209

Grow back – the way of the rose as royal privilege 211

Grow sideways – the most popular alternative to
drive profit 212

Grow up – the golden route to balance expansion 214

Grow with passion – the need to stick to your

Ueber-Target 216

Growing without showing – the advantage of the web 218

Principle 7: The rules to ‘growth without end’ 220

Ueber-Brand case study 7: Hermès and his offspring 221

Instead of a summary: 77+ questions 229
