ACKNOWLEDGEMENTS

We are living in crazy times. I am amazed at how much change is happening and although the themes of this book have been percolating in my brain for many years, I believe it has all come to a tipping point. For that, I am grateful to be able to write this book at such a pivotal moment in history.

I have been inspired by all the leaders who are not afraid to make change, not afraid to speak their minds. All the rebels who will not accept old rules and the mavericks who are redefining limitations. This book is for all of you.

I am also extremely grateful to everyone who contributed their time with interviews, feedback, discussions, and inspiration: Mark Mylam, Maryam and Amina Mamilova, Bill Tai, Cory Johnson, Fahad Saud, Matthew d'Ancona, Rebecca Jolly, Elty Dudley-Williams, Cory Johnson, James Watt, Jamie Dey and Katie Cavanagh.

A big thank you to fellow rule breaker and my commissioning editor Géraldine Collard who made this all happen. This book would never had been written if you had not reached out.

Thanks especially to both sets of Hendrix's grandparents: Shirley and Herman Fast and Sue and Roy Huston, without whose babysitting hours the completion of this book would not have been possible.

And finally, a big thank you to my husband Chris who not only inspired the best chapter in this book but continues to inspire me each and every day.
